**Recommended Products**

- 25' Quick-Connect Lighting Extension Cable  
  (#98998)

---

**Safety Information**

**WARNING:** It is recommended whenever working in or near water to have all electrical devices plugged into a ground fault interrupter (GFCI) that has been installed by a licensed electrician.

- To reduce the risk of electrical shock or damage to the light, all wiring and junction connections should be made per local codes. Requirements may vary depending on usage and location.

---

**5 YEAR WARRANTY**

---

**Installation**

**FOUNTAIN CONNECTION**

- Connect fountain tubing/pipe to the barb at the base of the light, using a twisting motion to secure it in place (Ex. 1).
- Run the tubing down the fountain with the light cable (Ex. 2).

General Maintenance

- Periodically clean the fixture with fresh water, removing any existing algae, debris, or buildup.

Troubleshooting

- Lights won’t turn on
  - Press the power button on the remote
  - Make sure the outlet is receiving power
  - Make sure the ground-fault circuit interrupter (GFCI) is not tripped
  - Check to verify that the lights are receiving the correct voltage
  - Verify that the photocell (not included) is functioning properly
- Lights won’t turn off
  - Verify that the photocell (not included) is functioning properly
- Remote Control is not functioning
  - Make sure the AAA batteries are not dead
  - Re-synch the remote control to the light

Warranty Information

Aquascape LED Color-Changing Fountain Lights are guaranteed for five years from date of purchase. Proof of purchase required. Warranty does not cover damage resulting from negligent handling, misuse or lack of care. Light failure as a result of improper wiring is not covered under warranty. Lights should only be operated in fresh water without corrosive chemicals like chlorine or bromine. Warranty is void against defects due to material and workmanship only. Products returned must be cleaned, sanitized, or decontaminated, as necessary, prior to shipment to ensure that employees will not be exposed to health hazards in handling said material. All applicable laws and regulations shall apply. The sole obligation shall be to replace the defective unit with a suitable replacement unit. Units should be checked for proper operation prior to returning as defective. No liability for loss or damage of any nature or kind, whether arising out of or from the use of the product, whether defective or not defective, is assumed by Aquascape, Inc. or its affiliates.
